His family testified that the day previous Laskamme brought two or three congenial "spirits" to the house, and the resultant actions led to his arrest. He had formerly been before the court on charges of intoxication and also of non-support.

The large horse chestnut tree which has stood at the corner of Spring and Church streets for many years, was cut down Wednesday by men in the employ of the street department. PICKED FOR HEAD OF OUR BIGGEST POSTOFFICE

JOSEPH JOHNSON JR.

In spite of much opposition to the appointment of Joseph Johnson, Jr., of New York to be postmaster of the city, President Wilson and Postmaster General Burdett, decided that Mr. Johnson's nomination should be sent to the senate. Mr. Johnson has been prominent in Democratic politics, was formerly a school-teacher and newspaperman and has been fire commissioner of New York city. The present postmaster of New York city, E. M. WHAT CAUSES COLDS?

This question is asked every day. A cold is really a fever, not always caused by the weather but often due to disordered blood or lack of important food-elements. In changing seasons fat-foods are essential because they distribute heat by enriching the blood and so render the system better able to withstand the varying elements. This is the important reason why Scott's Emulsion should always be taken for colds, and it does more—builds strength to prevent sickness. Scott's Emulsion contains Nature's rare strength-building fats, so skillfully blended that the blood profits from every drop. It is free from harmful drugs or alcohol. Sold at drug stores—always get the genuine.

SAVE YOUR HAIR! 25CENT BOTTLE STOPS DANDRUFF

EVERY BIT OF DANDRUFF DISAPPEARS AND HAIR STOPS COMING OUT.

TRY THIS! YOUR HAIR APPEARS GLOSSY, ABUNDANT, WAVY AND BEAUTIFUL.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp, of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; it weakens the hair, causes itching and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Lotta Sun tonight—now—anytime—will surely save your hair.

Get a 25-cent bottle of Knowlton's Dandruff from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It is a hair tonic, and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be the fact that a few weeks use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

OBITUARY.

George W. Berrian.

George W. Berrian, 55, dropped dead of apoplexy at his home next to the Congregational church at Old Saybrook, at 1.30 o'clock Saturday afternoon. Ralph Smith, plumber, of Smith Brothers, called to make some repairs, and accompanied Mr. Berrian to his garage. On entering the building Mr. Smith heard a groan and turning, saw Mr. Berrian fall to the floor. Mr. Berrian spoke, stating he would be all right in a minute, but died almost instantly. He was called as a grandfather in the Monarch wreck a few weeks ago, but was unable to attend on account of illness. He returned from Hartford after visiting there, and since then had suffered many hemorrhages.

His son Clifford sent a cablegram Friday stating that his wife was drowned while boating in the West Indies, where they are visiting this winter, and the news deeply depressed Mr. Berrian. Mr. and Mrs. Berrian had resided at Saybrook for the past 20 years, during the summer, but of late made their home there in the winter when not traveling. Mr. Berrian was connected with the rubber trade in New York for a number of years, and up to five years ago was interested in the Monarch typewriter company at Syracuse. He served one term as town tax collector. His wife, Mrs. Louisa Berrian, of Saybrook, and one son, Clifford, at present in the West Indies, survive him. Funeral services were held at his home Monday evening.
